

NAME _____

In this class, we have been building your **personal aesthetic**. This set of design elements and principles has been guiding your artistic work. Its intention has been to help you when critically thinking about design and procedural decisions.

You created two projects, the Scrabble tile piece and the Shrine piece. Please fill out the table below, describing how you used the Design Elements and Principles in each piece. **Draw, color and write your answers.**

	Scrabble tiles	Shrines
