Planning and Inspiration Sheet

THEME FOR SEARCH:

Research 8 Ideas for your project by searching the internet for images. Write about 3 of the images. Make a copy of this Google document and **add your name to the title, then** Cut and Paste your images and information onto your document.

Include with each image the website address and answer the guided questions below in complete sentences for each of the 5 boxes related to the images you inserted. You may not get all the info from the website, try to answer as much as you can or estimate when you are not sure.

1. Art History-

Name the artist.

When was it created?

Where is the art made?

What is the purpose of the art? Is it functional, utilitarian, fine art, religious.

2. Art Production-

How do think this piece was made?

what is it made from?

Do you think this is a one of kind original piece or a mass produced object?

What is the proposed cost of the object?

3. Art Aesthetics -

What do you think the artist is conveying in the piece (cultural, personal, political experiences) ?

How does this piece make you feel?

4. Art Criticism-

What do you like about the image? Include vocab from the following:

Elements of Art: Color, texture, form, shape, value, shape and form

Principles of Design: balance, rhythm, movement, variety , unity, repetition, harmony, emphasis

IMPORTANT: Include web site address to site where you found your information.

Insert Pictures

Write up using the guided questions
on the first page.

EXAMPLE	
1.	
2.	
3.	
4.	
5.	

Now that you have some ideas you are going to reconfigure, get inspired from them, reuse them and rearrange them! Take an element from each of the pictures you like and draw out your own creation in your sketchbooks.
